Overview

Wow! Expect to be impressed with this Townhouse at Corey Colonial. Totally renovated top to bottom...starting with Bamboo floors throughout the main level; freshly painted interior; New kitchen has Shaker style cabinets, Stainless steel appliances, concrete countertops; both bathrooms refreshed to match with new Pedestal sinks, new toilets, tile floor, color changing, bluetooth overhead lighting. Wall to wall carpet on second level, front window, slider to private patio and bonus room in basement all less than one year old. All you need to do is bring your personal belongings and a chair to sit by the built in firepit on your private patio!
