Overview

You'll love this brick home on the outskirts of Byron Center, offering a mix of traditional and modern features. The property includes 3 bedrooms on the main floor, 2 full bathrooms, an attached garage, and a pole barn for additional storage or workspace. The apple tree adds to the rural setting. Inside, you'll find a formal dining room, a living room with a fireplace, and an updated kitchen. The partially finished basement provides storage space, a second full bathroom, an extra living area, and laundry facilities. Completing the package, a covered patio extends the living space. The home's layout is practical, with attention to detail evident throughout. The property's location offers a balance of countryside living. Schedule a showing and see this today!
