Overview

Discover an extraordinary opportunity in the Aldasoro Ranch, where this pristine lot is beautifully tucked away at the end of a secluded cul-de-sac, surrounded by mature aspens. The prime building site offers breathtaking views of Wilson Peak and Sunshine Mountain, ensuring your future home is perfectly positioned to capture the area's natural grandeur while maintaining privacy. All essential utilities such as gas, phone, water, sewer, cable, and power are conveniently available at the lot line, simplifying the building process. Residents of Aldasoro enjoy access to an extensive network of hiking and mountain biking trails in the adjacent National Forest. The area is rich in wildlife, and the community welcomes dogs, making it an ideal location for nature lovers.
