Overview

Lovely wooded, private and surveyed 5 acre lot with deeded access to Long Pond nearby. This property has a long cleared driveway to build your beautiful home including a new, never been used concrete chamber leach field (septic design available). A small stream flows along the side of the property offering a tranquil space and creative landscaping opportunity. This property has the benefit of an additional shared, common 10 acre + lot, that offers 867 feet of deep water-frontage on Long Pond. The common lot is for the use of the Long Acres Subdivision owners. Perfect for swimming, boating and fishing.
