## Overview

This stunning Modern Mediterranean style home embodies an atmosphere that marries architectural beauty and livability. With a modern spin on Mediterranean style living this home still stays true to its roots by fusing traditional elements such as a stucco front exterior, custom rounded parapet wall, arches throughout, and plenty of natural light. Step into the foyer featuring impressive 21' ceilings and a graceful, curved staircase. In the great room enjoy the striking 2-story drywall fireplace and seamless indoor-outdoor living, with a 15-foot, 5-panel folding door that opens to a 541 sq ft covered, screened porch w/outdoor kitchen. Surrounded by 66 acres of dedicated conservancy this home is a true sanctuary with an array of high-end amenities that you must see!
