Overview

Welcome to 327 Didier Ct, a premium and stunning Alcott model townhouse built in 2024. This home offers modern luxury and thoughtful upgrades throughout. It combines stylish design with practical enhancements to create a perfect living space. Inside, you'll find a newly painted interior, setting the stage for a warm and inviting atmosphere. The spacious layout includes four bedrooms and 3.5 bathrooms, featuring not one but two master bedrooms—one on the first floor and another on the second floor. This dual master setup is perfect for accommodating in-laws or providing extra privacy for guests. The main level boasts a family room, formal dining room, and a den, each adorned with stylish light fixtures that add a touch of elegance. The kitchen is a chef's dream, featuring modern finishes, including a beautiful backsplash, and equipped with top-of-the-line appliances such as a refrigerator, washer, and dryer. The laundry room is fully outfitted with custom cabinetry and a sink, adding utility and convenience to your daily routine. Step outside to enjoy a private deck area enhanced by a privacy fence, offering a perfect spot for relaxation or entertaining. The home also includes custom window treatments, upgraded bathroom hardware, and a state-of-the-art car charger with electric service. With over \$30,000 in after-construction upgrades, including electrical, custom cabinetry, organization, and substantial investments in lighting and finishes, this home is move-in

ready with all the modern conveniences you desire. Located in the desirable Villas at Link Crossing subdivision and within the Stevenson attendance area, this property offers easy access to local amenities and is part of a maintenance-free community that provides lawn care and snow removal. The seller is accepting all offers, making this a unique opportunity to own a turnkey home in a prime location. Builder transferrable warranty! Don't miss out on making this meticulously upgraded property your own.
