Overview

Who says California is expensive? Here's a charming 2-bedroom, 1-bathroom house located in a serene forest community for less than \$50,000! Just a short 10-minute drive from Chico, it offers a convenient commute. Recent updates include freshly painted kitchen walls and cabinets. The area boasts ample open space for leisurely walks or hikes, and it's conveniently close to the Forest Ranch Store. Additionally, the house comes with a refrigerator, washer, dryer, and camera.
