## Overview

Welcome to this one of a kind 1940's Bungalow that offers over 1600 sqft. of living space. The home features beautiful hardwood floors with a formal living room and dining area. It also has a bonus room that can be used as a family room, game room, or a work from home office, with lots of windows to generate natural light. The laundry room is located downstairs with lots of storage and provides access to the garage, driveway, backyard and basement. The huge basement offers a myriad of possibilities, along with a workshop. The oversized backyard, that includes a storage shed, is a wonderful place to entertain family and friends and create new memories. Close to SF Ferry, Touro University, and multiple commute options. A GREAT place to call home.
