Overview

Come see this cozy home located on several lots. About 20 minutes to Jacksonville, and 25 to Springfield. There's tons of room for storage, toys, or whatever hobby you might have! Fresh paint, updated flooring, drywall replaced. Furnace replaced in 24, Water heater in 21, windows 20, kitchen updated in 2020, and washer and dryer in 24 as well. Not much left to do in this home! Basement is great for more storage with a new sump pump, even though it doesn't leak! Window unites in pictures due to ac going out before photos (on those 90+ days). As of listing, ac working again great! Massive heated garage for storage, projects, or several vehicles! Garage has access to shed behind it as well for even more room! Bring your camper, boat, or anything else large, there's space designated on the right side of the garage to park it! Home made dog kennel between home and garage does not stay. All measurements are estimated and not guaranteed accurate.
