## Overview

WELCOME TO 1505 WILDERNESS WAY... A DISTINCTIVE LIFE-STYLE greets you from the mature landscaping to an inviting warm decor. Beautiful hardwood flooring flowing from entry through formal dining and living areas. The living room wall of built-in shelving is a lovely focal point as well as the wood burning fireplace flanked by French doors leading out onto the awesome outdoor living covered patio, a gleaming pool, a relaxing hot tub, and a large pergola on the flagstone patio. There is a changing room through the door on the garage side of the house. The Kitchen is fully equipped with stainless appliances, wine fridge, coffee bar, desk, island, and granite countertops galore. The kitchen dining has wonderful Southeast natural lighting with the Wildwood Lake in the foreground, a beautiful place to start your day. The kitchen flows into the den that has a wet bar and built-ins; this space could be a wonderful gameroom where there is easy access to a half bath. All bedrooms are spacious, especially the primary bedroom that has a private door to backyard patio, and a luxurious ensuite. Imagine relaxing in a whirlpool tub, two walk-in closets and two separate vanities, and an oversize shower. Now is the time to act to be apart of a subdivision that brings community together through amenities and events. Plus, the sellers excellent care and attention have

improved the features of this home for the next owner to enjoy for many more years to come.
