Overview

Upgrade your lifestyle with the beautiful interior and stunning curb appeal of this impeccable Hill Country home. Situated on a one-acre home site, this home combines elegance and convenience with an incredible layout allowing you to easily flow from room to room. The family room is lined with large windows that lead to the covered patio where you will find the perfect place to lounge or dine alfresco, featuring a built-in outdoor kitchen, adding to the appeal of this exquisite setting. Surrounded by majestic oaks and rolling hills, this craftsman-style home comes complete with breathtaking views, a remarkable master suite, a host of impressive included upgrades, and lush front yard landscaping.
