## Overview

Handyman special! This property has been in the family for about 40 years and they are ready to pass it along to someone else's family to have them pass it along for years to come! The bones of the house have lots of life left. Mostly cosmetic work that needs to be done. House has a lot of potential in it. Roof and Windows both installed less than 10 years ago. Fence is godfathered in. Once removed, then no longer allowed to reinstall, you are allowed to fix the existing fence. Please get all exact details from the city.
