Overview

Feeling homie a ranch home? This home includes both a formal living room and a cozy family room. The family room is enhanced by a charming fireplace and natural light, perfect for relaxing. The bedrooms are all nestled into the same wing for privacy away from the rest of the home. The kitchen is perfectly positioned at the heart of the home, making meal prep and entertaining seamless. The main floor includes an additional half bath for ease of use. Step downstairs to the finished basement that includes another fireplace and an office to focus in. The home includes 3 yr old windows w/ a lifetime warranty. Appliance package is less than 3 yrs old. Seller to give \$5000 in concessions for flooring. Seller to review offers on September 3, 2024. If square footage is important to buyer, they need to meas
