Overview

This open-concept 1977 Home is nestled back on a 0.45-acre lot, with endless potential to bring your vision for updates! 4 bedrooms and 3 full bathrooms. A spacious living room with high ceilings leads to a huge backyard perfect for raising a family. There is ample space to build a pool, as one was built years ago and has since been filled in. The long driveway, carport and two-car garage allow multiple covered parking spaces with alley access. No HOA in a well-established, quiet neighborhood!
