Overview

Welcome to this Jeffersonville Gem! STEEPLCHASE Neighborhood! Talk about LOCATION! Minutes to the interstate and the East End Bridge, shopping, dining, entertainment! This beautiful 4 bed 3.5 bath home sits in the back of the neighborhood, on a secluded lot in a cul-de-sac, with views of fields and trees from the back deck! Walk into the large living room with a 20ft ceiling and tons of space to relax by the fireplace! 1st FLOOR MASTER bedroom with trey ceilings! 1st FLOOR LAUNDRY! The recently remodeled kitchen is perfect for gatherings and entertaining. Stainless appliances, LPV flooring, granite countertops, and pantry! From the kitchen, walk outside to the large back deck overlooking a huge back yard and field! You'll love this peaceful set up! Upstairs features 2 bedrooms with large walk-in closets as well as a full bathroom. The WALK-OUT BASEMENT holds another bedroom, large living area, and plenty of storage space! There's also a utility/rec room that could easily convert to a non-conforming 5th bedroom if needed. The basement walks out to a concrete patio with a HOT TUB under the deck! Plenty of space to relax and play! DO NOT miss this Opportunity in Steeplechase! Come Check it out today! Sq ft and rm sz approx.
