Overview

This luminous 4br home is surrounded by mature trees, on a private cul-de-sac away from any through traffic. A long flat driveway and a lush and inviting flat backyard offer privacy and lots of entertainment options. Some other highlights of this lovely home are: hardwood floors, large windows allowing in plenty of natural light, a spacious screened-covered back porch from which to enjoy the view of the woods, spacious bedrooms and a home office, a flex space upstairs that can function as a home gym or play room, a side entry 2-car garage. The extensive backyard is easy to maintain and backs up to Torrence Creek wooded area. Size matters when you want a home that offers you plenty of space for all your wants and needs! Come visit and start planning!
