## Overview

WOW!!! Space, Space, Space. Relax and spread out inside or out in this sprawling Cape Cod. Step into the high efficiency kitchen with tons of counter and cabinet space, pantry, breakfast bar, and Gas Stove. The living room comes complete with a stylish accent wall and gas log fireplace. The oversized master bedroom sits conveniently on the main floor offering 3 separate closets and wood flooring. The master bathroom boasts a double vanity and you will fall in love with the heated master bath floors. The 2nd and 3rd bedrooms are massive along with an additional bonus room. If you need even more space the basement is ready to be finished with a full bath already installed. Step onto the massive back deck perfect for entertaining or relaxing with a cup of coffee in the morning shade. This home is move in ready with a 1 year old HVAC system and a new roof installed in April of 2024. Conveniently located in the desirable Trappers Ridge Subdivision, close to Ft Knox the home sits on a dead end street with tons of privacy. don't delay, call for your tour today...this one wont last long.
