Overview

Charming Craftsman-style home drenched with natural light has 3 bedrooms and 3 baths, with each bedroom having its own high end bathroom. The master suite features a stunning designer shower and a spacious layout. The kitchen boasts top-of-the-line finishes, and opens to a stunning dining room with beams and shares a double sided fireplace with a cozy family room tucked behind it, perfect for game day or movie night! An oversize garage gives access to large bonus room. Relax on the large front porch and enjoy the best of country living with quick access to Huntsville and Arab, as well as Redstone Arsenal. This home offers the perfect blend of comfort, luxury, and convenience.
