Overview

Elegance meets serenity in this gorgeous home with expansive views of St. Clair River and the Blue Water Bridge. Take some time to enjoy your morning Coffee from the breakfast nook or patio overlooking the water while observing the ships go by. Floor to ceiling windows give you a front row seat. Take long walks with family, friends, or your pet partner along the Thomas Edison walkway, just outside your front door. Truly nothing to do but move in. Even the furniture could remain. This spacious and open floor plan is perfect for entertaining or simply cuddling up in front of the fire and watching the world go by. This unit is one of the premium units in the front row with unencumbered water views. It features modern conveniences and upgrades Including gorgeous wood flrs, an open kitchen with Corian counters and breakfast bar. 1st flr living is easily accomplished with the inclusion of a 1st Flr laundry and a Primary ste that includes an en ste Bth and Walk in featuring a jetted tub, shower, and private commode. There is plenty of room for family/guests or office space with river views with two sizeable bedrooms and a full bth upstairs. The finished basement is perfect for gatherings or just some game night fun! In addition to the vast open space, there is a wet bar for ease of entertainment, and an additional full bath. This is how to Live your life by design!
