Overview

If you've been looking for over an acre in a serene country setting, look no further. This Prosperity home sits on 1.35 acres and features an 1800 square foot de-titled mobile home and a 675 square foot insulated drive through garage/workshop. Inside you'll find a light bright interior that features a split floor plan with 3 bedrooms and 2 baths, dining room, updated flooring and charming built ins. The front deck and large back deck are perfect for sitting or entertaining. The adjacent insulated garage is ideal for pull through boat storage (you're less than 15 minutes from Dreher Island State Park), a garage, storing your extra stuff, or working on whatever projects or hobbies you may have. You'll enjoy the best of country living, yet you're only 15 minutes from groceries and other shopping in Chapin. If you've been looking for affordable country living this is it!
