## Overview

Beautiful downtown Southport condo convenient to historic downtown, waterfront and Marina. Located in a quiet, private neighborhood this 2 bedroom 2 bath has been totally renovated and updated within the last year. All new soft close Diamond cabinets with glass lighted uppers, quartz countertops and sink, champagne brass hardware, and recessed lighting highlight the kitchen which has been expanded and opened up to the main living area. Bosch stove, refrigerator and dishwasher, Miele washer and dryer, all new ceiling fans, new LVP flooring throughout, total master bath remodel with walk in shower and comfort height toilets were just a few upgrades to this unique unit. Also the entire condo was painted using Benjamin Moore eggshell "white dove". These are just a few items completed and a complete list is available. Please have a look. Easy to show.
