Overview

Check out this freshly remodeled 2 bed 2 bath home just minutes away from Foundation Park and the high school! As you walk into the front door, you will come to a large living room that has plenty of space to entertain guests to watch those big games. The kitchen comes equipped with a refrigerator, gas stove, microwave, and dish washer. On the other side of the kitchen lies a second good-sized living room that could be used for entertaining, a toy room, or even converted into a 3rd bedroom. You will notice that almost everything in the home is newly remodeled or updated. There is a storage shed on the side of the yard that stays with the home as well. It's hard to find freshly renovated move-in ready homes these days, so don't miss your chance for a showing!
