Overview

This conventional home in Bangor has loads of opportunity and is close to everything. Currently a 3 bedroom with an option for a 4th, it has one full bath and two half baths. This home has been called the "Tree House" as the windows and second level decks really bring in the sun light and beautiful trees. This home has been very well cared for and tastefully updated. On the first floor there is an updated kitchen with newer cabinets, floor and counter top. The Bathroom offers a jacuzzi bath tub, walk in shower and beautiful custom vanity. There is a space used as a hair salon with its own entrance and a half bathroom. This space is turn key for a professional studio or easily convert it into a rental space or additional living area. On the second level you walk into a bright open living room area with lot's of windows to let the light in. Two good sized bedrooms are on the second level as well and you have access to the amazing second level deck through the slider door in the living room. The third level has half bath, heat pump, closet and is currently being used as a primary bedroom. The driveway is paved and a nicely landscaped patio area offers privacy for relaxing or hosting a get together. Schedule your showing today and come see this beautiful Bangor Home!
