Overview

Beautiful 5-bedroom 3.5 bath 2 story home with 4,000 sq ft of finished living space in Pleasant Valley School district. You will be impressed as you walk into the large 2-story open foyer and awesome staircase to the second story. The main level has wood floors, a spacious kitchen with nice island with breakfast bar, Quartz counters, stainless appliances that stay with the property, the kitchen is open to the great room that has a gas fireplace, storage cabinets and shelves and an awesome bank of window to create that bright light room, there is a dining room to fit that large family gathering, also a great main level study, upstairs there are 3 bedrooms and a big master with an updated master bath, then there is the finished walk-out basement with all new LTV floors a super recreation room, family room, a bedroom, a bath, a kitchenette, and an exercise/play room. Black refrigerator in basement is reserved by seller. Updates include new roof 2021, new water heater, and a new AC. Then there is this fantastic fenced yard, lots of new landscaping and huge deck....sellers are offering a TMI Home Warranty...WOW what else could you want it is all here see it today!
