## Overview

This 1acre tract is located behind the Village Square Coin Laundry and Bethel Light Church. The property consists of 3 Buildings: a Duplex 2-2Bdr/1Ba, an office that was converted to a 2Bdr/1Ba Apt and a 6300 Sq. ft. building that was last used as a Uniform Rental/Sales business. There are several possibilities for these units. The rentals are in B condition and the Warehouse will need some up fitting to maximize use and profitability. Zoned Residential, this property is surrounded by Commercial Properties and would be best suited for this use. The 3 renters are on month to month and have all been there for a couple years and would like to stay if possible.
