Overview

This is your Golden opportunity to own 2.79 acres and still be in town. Whether you are looking to build multiple homes, build businesses, Are just be secluded from neighbors, this is the property for you. The land features 353' of road frontage along E 10th street and is approximately square in shape. It is partially open but, does have some large trees. The land is being mowed next week and I will have more pictures.
