## Overview

Welcome home! Large Corner lot, end unit with tons of light! Inside you will find an open floorplan with on trend kitchen finishes including modern cabinetry, oversized island, gas stove, and large walk-in pantry that goes under stairs. Gorgeous living space with fireplace and half bath. Windows on two exterior walls provide tons of natural light. Upstairs you will find a flex space currently utilized as an office, three bedrooms (including primary with ensuite bath), two full bathrooms, and laundry area. Spacious back yard with cedar pergola over patio. This is one of the most desirable townhomes in the neighborhood with its unique corner lot, floorplan, and proximity to community amenities.
