Overview

This is a beautiful ranchette just 3 miles from 121. Paved road frontage, creek along the West and northern boundaries, this is your own private oasis. There is a cleared area along the front of this land for great building locations. Old growth trees line a tributary of the creek and are throughout the property. This area is developed with nice homes on an average of 15-20 acres, giving you a lot of privacy. There is plenty of room to enjoy hiking, mountain biking, Using an ATV mule, and having a large garden to grow your own food. It's great living in the country, with 121 nearby for easy access to the City.
