Overview

What a wonderful opportunity to be in the New and highly regarded subdivision just on the edge of Texarkana city limits and in the Pleasant Grove school district, Arbor Meadows. Fire illuminating lights on every house light up the street at night and create a warm glow you won't see anywhere else in Texarkana. When you walk in to this beautiful new construction, you will love the tall vaulted ceiling, lots of natural light, open floor plan, and beautiful finishes. No wasted space here, lots of storage, convenient floor plan, and a bonus room you can use as an office, nursery, storage, or bedroom (can fit a twin size bed). The location couldn't be better with super quick access to everything Texarkana has to offer. These homes are built with every detail thought out and no short cuts taken. You will notice the attention to detail when you walk in the door.
