Overview

This charming 3 bedroom, 2 bath home is conveniently located just outside of town, has views of Lake Michigan and sits on a perfect 1 acre parcel for your hobby farm life! Enjoy a large yard with trails and sitting areas speckled throughout, a ready to go chicken coop, composting area and large garden area prepped to get you started. The unique interior has a beautiful touch of wood and arched doorways. A handy breezeway ushers you from the attached 2 car garage. There are so many things about this house that you need to see to appreciate! Schedule your showing right away as this home won't last long!
