## Overview

This is a lovely home with many upgrades. You will delight in the cozy living room and perfect dining room as you enter. Walk into the kitchen with beautiful brown cabinets and counter space with seating for a quick bite, entertain the cook while a favorite meal is being prepared, or sit at the table at the kitchen window. There are no walls between the kitchen and the family room, and a half bath is in the hallway. The upstairs has three bedrooms and two bathroomstwo with a full bath in the hallway and a master bedroom with a separate tub, shower, and walk-in closet. Now, spend some time in your fenced backyard on the patio and deck space. A two-car garage is just off the kitchen. Call ShowingTime to make an appointment to see this jewel today.
