Overview

Extensively renovated,.... and spectacular,.... end unit home with 1220 sq ft (larger than the other first floor homes at Concord Greene). Experience the feel of a house without the hassle of yard work and maintenance. Sited for privacy, loads of sunlight and lovely serene pond views with bonus private grassy area for larger outdoor gatherings. This sought after first floor plan has a new dramatic chef's kitchen with full dining area and large granite island for food prep and gathering. You'll love the dedicated walk-in pantry with several shelves for Ultra storage. The primary bedroom with new renovated bath has 3 good-size closets for multiple wardrobes. The owner spared no expense with the recent fine craftsmanship throughout the home. Guests and family will enjoy the 2nd bedroom with new adjacent full bath. Smooth ceilings, recessed lighting, new patio, and refurbished fireplace surround, stainless appliances, miele washer and dryer and the list goes on! Adjacent to the Village!
