Overview

Want an inground pool you do not have to take care of yourself? Get this 2 bedroom, 2 bath condo where the pool is walking distance from your door! This unit has a spacious and bright main living room to visit with family. Host your friends for a meal in this newly updated kitchen with a breakfast bar! The large deck is right off the kitchen- a great place to enjoy your coffee or cocktails. The HOA keeps all the grounds and the pool in great shape! The upper level is where you have privacy for your master bedroom and second bedroom. Come and see it before it is gone! Seller is offering a one-year home warranty up to \$500.
