## Overview

This is a recently upgraded, charming detached PUD single-family home. It is the front unit of a 2 on a lot built in 2006, it offers 3 bedrooms, 3 baths, and an array of modern amenities including central heating and air conditioning, a gas fireplace, a Culligan full home water softener, reverse osmosis drinking water, and a jacuzzi-style bathtub. There is 1 bedroom and full bath on the main (lower) level. There is a full Vivint security system. The home features stainless steel appliances, granite countertops, and wood-style flooring, all complemented by fresh interior and exterior paint. Ideally situated near LAX, SOFI Stadium, the just completed Intuit Dome, and in the heart of Los Angeles beach culture that draws millions each year, this residence provides seamless access to major freeways, Aerospace jobs, and the best of LA living.
