## Overview

Make this cozy home your own! This home has a paved driveway with plenty of parking space as well as a garage. The yard has a patio and a covered outdoor grill area with concrete countertops. There is also exterior access to the finished basement from the yard. Upon entering the home you will find an open floor plan in the living room and hardwood flooring throughout the entire home. The kitchen includes stainless steel appliances, and upgraded cabinets. The primary floor features a full bath with vinyl plank flooring, tub shower, and linen closet. All 3 bedrooms include hardwood flooring throughout as well as closet space. The finished basement includes tile flooring, a custom bar set up with a sink, and seating for 4. There is an additional bedroom also in the basement with closet space. The basement also features a laundry room and full bath with tile flooring, porcelain sink, toilet, linen shower stall, and linen closet. Also conveniently located near parks, hospital, and highways!
