Overview

4 Wheel Drive Access Only! Looking for privacy with no visible neighbors? This 15 acre property is lightly wooded and high and dry. Located at the end of a dead end road. No HOA's and no Deed Restrictions. The 3 bedroom, 2 bath spacious home sits on a slight hill in a nice country location. Brand NEW Metal Roof! The home features a large living area, large kitchen with room for a possible island, separate pantry and laundry area, separate dining. Master bedroom has a closet in the room and an additional walk-in closet in the large master bath with tub and shower. Location is convenient to town, while still completely private. Gilchrist County is known for its "A" rated schools and natural springs, along with the Suwannee River. Deer and other wildlife abound. Call to see this one today!
