Overview

Step into this completely renovated farmhouse that perfectly blends modern amenities with timeless charm. In 2022, this home received a comprehensive upgrade with a newly added upstairs and expanded first floor, a brand-new garage, and all-new electrical and plumbing systems. Modern living is at your fingertips with new appliances, a high-efficiency furnace, and an A/C unit. The entire home was thoughtfully updated with fresh flooring, drywall, insulation, fixtures, and more, making it truly move-in ready. The living room welcomes you with all-new flooring and fresh paint, while keeping with original character with detailed trim around the windows. The open-concept kitchen and dining area are designed for both everyday living and entertaining, featuring new flooring, updated lighting, quartz countertops, a walk-in pantry, and newer appliances. The seamless flow into the spacious family room makes hosting a breeze. The primary suite is a serene retreat, positioned at the back of the house to offer panoramic views of the property and direct access to the back deck. The spa-like en-suite bathroom boasts a glass shower and a large soaking tub for ultimate relaxation. Convenience meets style on the main level, where you'll also find a half bath, a laundry room, and a mudroom. Upstairs, the home offers four additional bedrooms and two full baths, providing

ample space for family or guests. The basement rec room is a blank canvas, ready for your personal touch to create even more living space. Situated on nearly two acres with wooded views and access to a pond, this property offers the perfect blend of rural tranquility and modern convenience, just minutes from downtown Byron Center.
