Overview

Welcome home to one of the best homes and lots in the ALL AGE Creekside Estates! As you drive up you immediately notice the gorgeous landscaping and expansive lot. In fact, the owner won several awards for his yard through the years. Around the back is a large shed with electricity and shelves; perfect as a workshop or craft room. Brand new roof May 2024, newer water heater and recently leveled. Lovely custom leaded glass front door and storm door. Energy savings maximized with ceiling fans in the living room and all 3 bedrooms. Huge primary bedroom that easily accomodates a king-size bed with room to spare and boasts a huge walk-in closet. While away your cares in the large soaking tub in the en suite spa-like bathroom. Second bedroom also has a walk-in closet. Enjoy an abundance of cabinets and storage in the well-designed kitchen including a center island and a pantry. Conveniently off the kitchen is a large laundry room with a handy large sink included. Enjoy all the many amenities that Creekside Estates has to offer, cool down in the pool on these hot Summer days, putter in the Community Garden, let the children romp in the play area, storage for your boat or RV, a laundry facility and a Clubhouse. Perfect location close to shopping, freeway 80, theaters and restaurants.
