Overview

Situated on 5 unrestricted acres, this beautiful home sits stately on the hillside overlooking scenic country views. Built in 2008 and offering a functional open concept floor plan amongst two finished levels, totaling just under 4, 000sqft of living space! Your main level boasts a large kitchen that offers a massive island, cherry cabinets, and stainless steel appliances. The living features a wood burning fire place and an abundance of natural light as well as 10ft ceilings throughout. Your primary suite features a double vanity, walk in closet, soaker tub and more. As well and 2 more spacious bedrooms, a full bath and a great laundry room on the other side of the home. Your full finished basement offers cedar walls, a 3rd full bathroom with a walk-in tile shower, 2 more rooms and a garage! The property is currently fenced for a hobby farm and includes a chicken coop and massive detached garage built in 2021. Less than 15 miles from downtown Somerset but offering you all the peace and seclusion you've been searching for!
