Overview

Welcome home to this gorgeous home in popular Andover North featuring a privacy fenced-in backyard with a covered patio and mature trees. Main level boasts an open living area connecting with luxury vinyl plank flooring perfect for entertaining and a separate office space. Kitchen is spacious with large center island with sink and seating, stainless appliances, and large pantry. Upstairs are 3 bedrooms, loft and laundry room. Relax in the spacious primary suite with walk-in shower, double sinks, and huge walk-in closet. Home is right next to neighborhood amenities - walking paths, playground, soccer field, and basketball court! Great Westfield location close to Grand Park, Grand Junction Plaza, and more!
