Overview

Built in 2009 on this private 9.47 acres off the road offers a well-maintained residence with the peace and tranquility of country life. Inside, you'll find 4 bedrooms and 2 bathrooms and a walkout basement home. The home is equipped with geothermal heating, ensuring energy efficiency and comfort year-round, and a whole-house generator, providing peace of mind during power outages. The 2-car attached garage offers convenience and additional storage space. Outside, a large metal building provides endless possibilities, from a workshop or storage space to a hobbyist's dream. With 9.47 acres of land, there's plenty of room for outdoor activities, gardening, or even expanding your homestead.
