Overview

Welcome to this 4-bedroom, 3.5-bath home in the Indian Mountain Lake community featuring 4 lakes, 2 pools, ball courts, and a community center. Step onto the large covered porch and into a grand cathedral foyer. The updated, expansive eat-in kitchen offers a perfect view of the backyard, featuring granite countertops, cherry wood cabinetry, and stainless steel appliances. Next to the kitchen is a living room needing some repair from a chimney fire but full of potential, with French doors leading to a large deck overlooking the serene backyard where deer and wildlife are frequent visitors. The first-floor primary bedroom suite provides direct access to the deck, a spacious walk-in closet, and a private bath with a Jacuzzi tub and shower. The main level also includes a powder room and a convenient laundry room with direct entry to the 2-car garage. Upstairs, a spacious hall leads to 2 additional bedrooms, a full bathroom, and a large unfinished attic/bonus space offering endless possibilities for extra living space. The fully finished basement serves as a family room and recreation area with French doors opening to a backyard patio, a 4th bedroom or office, a full bathroom, and a utility room. This home showcases stunning hardwood and tile floors throughout. Set on 1.35 acres within a gated community, this home offers easy access to I-80, Routes 534 and 715. Being sold as-is, this property is nearly fully renovated and awaits your

finishing touches!
