## Overview

Welcome to 17 Highclere Rd. located in Highclere Estates, one of the most desired areas in Windham. Come and view this contemporary style home, which is the most unique house in the subdivision! The open concept living room, dining room and kitchen is a sight to see, featuring soaring cathedral ceilings. This floor plan is great for entertaining. The first floor primary bedroom includes two generous sized closets and an oversized ensuite bathroom. Completing the first floor is a custom built mudroom, a half bath, a pantry and a beautiful in-home office. The second floor features an open sitting area, 3 additional bedrooms, a full bath and a sizeable laundry room complete with cabinets and folding areas. This amazing home also includes a partially finished walk out basement, an oversized 2 car garage, a level backyard and a substantial screened-in porch just awaiting your outdoor furniture to complete it. Enjoy all New England seasons in this private neighborhood nestled in the back streets of Windham. All the boxes have been checked on this one!
