Overview

Welcome to this charming and vibrant upgraded manufactured home, perfect for all families whether young or growing! Nestled in the quiet city of Upland, this lovely home is ideally located near schools, dining, and shopping, with a community swimming pool just steps away. Featuring 3 bedrooms and 2 bathrooms, this home boasts beautiful laminated floors with modern baseboards, stunning Calacatta quartz countertops in the kitchen, and an island ideal for family gatherings. The space is bathed in natural light, enhancing its cozy and inviting atmosphere. Additionally, the home offers a good-sized laundry room, making household chores convenient and efficient. The porch, made of waterproof vinyl, is perfect for enjoying fun times outdoors. This home is a true gem, cozy, pretty, and ready to welcome you!
