## Overview

Very nice and well maintained 4 bedroom home with swimming pool and spa. This open floor plan offers a spacious kitchen with lots of prep and counter space with stainless appliances and great storage including a walk in pantry. The family room with fireplace offers outside views of the pool and spa area. The large primary suite with custom barn door to bath has a separate shower and dual vanities. Additional amenities include large open gameroom, spacious office and formal dining room, wood look ceramic tile flooring, updated ceiling fans and lighting. New roof and gutters 2024, replaced both HVAC units, water heater and pool heater in past 3 years. Enjoy your pool side privacy with the board on board 8 ft. fence and electric gate across driveway for additional play area and back yard entertainment.
