Overview

Located in a private area of Sams Valley with expansive views and amazing sunsets, this property has a gated entry, large pasture areas and accessible driveways to all livable structures. Great location for livestock. Complete set up with 16 12x12 stalls, Base for 100 x 200 outdoor arena, Giant hay barn with loft and 2 additional stalls, multiple storage structures on the property, and apple trees! The 3 bedroom double wide manufactured home can be fixed up or live in it while building your dream home. There is an additional cleared location for foundation on the hill above the main house with septic and electric already in place. 2 wells on the property. Lots of parking for RVs and your toys! Possibilities for this unique property are endless.
