Overview

WOW! Views of Water and mountains! The driveway is like entering a grand estate. There are water views from almost every room. The artists room with its vaulted wood ceilings, is an architectural gem. It has a separate entrance, but it could be opened to main home. UPDATED, and well Maintained. No deferred maintenance whatsoever was observed. Less than 15 minutes to town, 10 to 15 minutes to Grocery, and Holiday Island shopping center. About an hour, perhaps a little less to Branson. This is a community of real good neighbors.
