## Overview

Welcome Home to your spacious bright open floor plan that offers features you would expect to find in much more expensive budget! From the moment you enter the Great room with its tall ceiling, wood floor, gas log fireplace and custom built in you start to relax in your personal sanctuary. Kitchen has an abundance of cabinetry to include island with breakfast bar. Counter tops are granite for beauty and easy care. The Dining area lies between the kitchen and great room adding to the open concept. Primary bedroom is split off from the other two bedrooms for added privacy. It features a walk in closet and private bath which has double sink vanity, separate shower and jetted soaking tub. Access to basement is lit by natural daylight and has a neat shelf for decorations. The finished basement has a huge Family room with second gas log fireplace(both fireplaces are set up for TV over mantle). Also area for separate recreation/den/exercise space in addition to the 3rd full bathroom. Unfinished storage area has dual inside access and exterior exit and could be easily finished for 4th bedroom if desired. Garage is oversized for 2 vehicles. Deck is stubbed for gas grill. Fenced rear yard includes storage shed and pergola over the deck. 2-10 home buyer resale premier warranty included for your peace of mind.
