Overview

Own a piece of Goldsboro history! This remarkable property was built in 1935 as a luxurious estate and offers endless charm and character. With almost 3000 square feet, this 3 bedroom, 2 /12 bath residence ensures spacious living areas for a modern buyer. The impressive brick exterior showcases an inviting stone porch that connects to a wrap around covered porch begging you to unwind. Brick paved paths lead through the landscaped backyard gardens that allow for endless entertaining opportunities. Inside, the kitchen is a culinary haven boasting granite countertops, stainless steel appliances, pot filler, flat cooktop, wall oven and warming drawer. The expansive dining area is highlighted by hardwood floors that flow through to the living room and separate den or office. The primary bedroom and ensuite bathroom allow for a private and comfortable suite and complete the first floor. Upstairs consists of two large bedrooms and an additional bathroom that connects to one bedroom for convenience. Storage abounds in this unique property with many drawers, closets and attic space. Additional features include two attached garages, ample parking, brick shed, fenced yard, and basement with mud sink. Don't wait to schedule your showing and secure your own private oasis.
