Overview

\$10,000 sellers credit will be provided at closing if an offer is put in before September 16, 2024! Unrestricted land. This listing is for Lot 1, selling multiple adjacent lots. Bring all offers. This land lot, conveniently located between Auburn, Alabama, and Columbus, Georgia, offers an ideal balance of rural serenity and urban convenience. The generous size of the lot allows for extensive homestead development, including large gardens, livestock, or even a private orchard. It's perfect for those looking to embrace a self-sufficient lifestyle. The land's central location between Opelika and Columbus ensures a straightforward commute to either city, which is ideal for those who work or frequently travel to these areas.
